The Growing Miracle

The path of the righteous is like the light of dawn, which shines brighter and brighter. Proverbs 4:18

Pastor Brian Kluth wrote the bestselling [40 Day Journey to a More Generous Life](#) Bible devotional. God has used this devotional in thousands of churches across America and around the world ignite people’s faith, inspire generosity, and increase giving significantly. In 2013, pastors and Christian leaders in Latin America used Brian’s devotional to launch [LovingGuatemala: #40DaysofGenerosity](#). Over 100 churches and organizations participated, over ten thousand Christians helped serve the needy and nonprofits, and over one million dollars was donated for community ministry. Brian then had a growing God-given desire to see this happen in America and other places. With the support of David Wills of the [National Christian Foundation](#) and Daryl Heald of the [Global Generosity Network](#) and the [GenerosityPath](#), Titusville was chosen as a place to build the #40DaysofGenerosity model for other communities to follow.

In Titusville, a pastor’s prayer group of 30+ churches, [The Church Is One](#), had been meeting weekly for prayer for nine years. This group invited Brian to come speak for a Vision Event for pastors, media, and key leaders in the community. Brian shared the vision and materials on how #40DaysofGenerosity could be used to show, share, and spread God’s love in Titusville and beyond. Following the event, a steering committee was formed and Brian was invited to make several trips back to Titusville over the next 9 months to help the steering committee launch the #40DaysofGenerosity.

Over 9 months, [free VIP Vision events](#) were held for hundreds of leaders from across the community (see graphic). A website and social media sites were

built. Sponsors signed up. Materials were developed. Media stories and interviews took place. Service and giving projects were identified. Launch and celebration events were planned. 50,000 [Community](#) and [Christian #PayItForward Cards](#) were printed. Brian’s *40 Day Generous Life* devotional was customized for the event and a [iPhone/Android](#) phone APP version was made available so thousands of Christians could get a FREE copy on the kick-off Sunday. [FOX TV news](#) covered the launch, the #40Days took place with exciting results, event and [CBN World TV News](#) reported on the results.
