

Join with thousands of others to show and share God's love during #40DaysofGenerosity.

Step #1 Go to your APP store and search for "givewithjoy" and find the 40 G-LIFE APP. Download the APP for your phone or tablet. Or you can sign-up to get a daily email at www.GiveWithJoy.org. Each day, read the daily Bible reading and story (takes about 5 minutes). If you are interested, you can also listen to the daily podcast.

Step #2 Go to www.GodsLoveForYou.com and watch the short video. Download or order the flyer #LoveInAction IDEAS and #PayItForward CARDS.

Step #3 Each day prayerfully look for opportunities to do God-prompted acts of kindness or show love for someone in a tangible way. When you do, give them one of these cards, encourage them to visit the website and pay it forward.

Step #4 Share stories about your experience(s) with friends, church members, coworkers, and family. Invite them to participate.

Step #5 Post encouraging stories and pics on social media. Use the term: #40DaysofGenerosity, #PayItForward or #LoveInAction

To share these #PayItForward sheets or cards with others, photocopy this 2-sided sheet of paper (if possible use color OR print in B&W and use a colorful card stock). Use scissors or a paper cutter to cut the cards into business card size. You will then have 8 cards you can give out to others. As you are prompted to do an act of kindness for someone, give them a card. Invite the person to use the card to #PayItForward and also to watch the www.GodsLoveForYou.com video. You can do this in your neighborhood, drive-thrus, school, restaurants, on the street, workplace, group events, and in your community. May the LORD use these #PayItForward cards and acts of kindness to help people experience God's love in life-changing ways. Whenever possible, share encouraging stories with others in personal conversations, groups, and on social media (use the term **#40DaysofGenerosity**, **#PayItForward** OR **#LoveInAction**). *Sheets of cards are available as a free PDF download at www.GodsLoveForYou.com
