

# Can We Bless Your Pastors' Group With Grant-Funded Resources?

**It's been a challenging few years for pastors.  
Here's a grant-funded opportunity to bless pastors in a special way.**

## Dear Pastors' Group Leader(s):

Thanks to generous grants from Lilly Endowment, Brian Kluth is traveling with his wife in an RV motorhome to speak on radio-TV stations about the national [BlessYourPastor.org](http://BlessYourPastor.org) movement. During this year's western states tour through 40-cities, if you are interested, we can offer your pastors' group a grant-funded appreciation meal and valuable resources that will bless them, their family and church.
