HISTORY OF THE SANDI HOUSE

The SandiHouse charity is a certified 501©3 nonprofit that provides **life-changing help** for needy African children, orphans, families, schools, and communities that have connections to St. Paul's School in Rukungiri, Uganda, East Africa. The school is academically ranked #1 out of 17 area schools and #90 of out of 60,000 schools in the country!

The Sandi House 96-bed girl's dormitory at St. Paul's was built by family and friends as a tribute to the life, love, and legacy of SANDI KLUTH, who passed away after an 8-year cancer journey in 2010. Sandi's husband, Brian, remarried in 2013 and he and his wife, Mary Ellen, volunteer their time every year to return to African to provide valuable help to children and people in need.

Since 2012, nearly \$400,000 has been donated by generous and caring people to build the 96-bed Sandi House, provide Sandi Girl scholarships to needy girls and orphans, expand school facilities, purchase computers and equipment, and provide #IMAGINE Clean Water filters.

NOTE: Many Sandi House supporters make donations in memory or in honor of a loved one (i.e. grandparent, parent, children, grandchildren, or others who were special in their life).
