

Step 1 – Life Map

In this Retirement Rewired Road Map worksheet, each of you should complete your own sheet by filling out the following columns. For future decades, write the things that come to your mind.

Age	Locations/Schools/Work	Highlights/Positive Memories/Blessings	Hurts/Disappointments/Hardships/Sin
0-12			
Teens			
20's			
30's			
40's			
50's			
60's			
70's			
80's+			

After both of you individually complete the first page, take some personal time to reflect and pray over what you wrote down.

When you're both ready, then share/discuss your sheet and the following answers with your spouse. If you'd like you can write out your answers to these questions OR you can talk about them and make some simple notes by each question.

- 1. What surprised you the most when you look at this one-page summary of your lifetime?**
- 2. Looking back, what has been your greatest source(s) of joy?**
- 3. What do you feel have been some of your greatest or most meaningful accomplishments?**
- 4. How did God use the hurts/disappointments/hardships/sin to shape your life and service?**
- 5. 2 Corinthians 1:3-4 says, "Blessed be the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves have received from God." Based on this verse, what is the greatest comfort(s) you have received from God that you can use to help others?**
- 6. What surprised you most about whatever you wrote down about the future decades still to be lived?**
