Brian and Mary Ellen Kluth met at a church singles group that Brian helped start in Denver, Colorado. This Tuesday evening group for Single & Single-Again Christians had 200-300 adults attend every Tuesday night for dinner, Bible teaching on singleness and table discussions. Brian then wrote a video curriculum called, "God's Road to a Brighter Future: A Traveler's Guide for Single and Single-Again Christians" -- this video curriculum has helped single Christians across the country and around the world. Brian and Mary Ellen are now traveling in their RV motorhome to over 100-cities across America for the BlessingsTour.org putting on free speaking events for churches and groups.
